### Old Business.

- Adell – KI4ODA is working on a source for hats. Will cover further in new business.
- Rob, N3EAY has created a brochure for the club. The club approved a number of these to be printed up, but we are awaiting approval of all the people in the pictures.
- Field Day – Tim AA4SS is field day chairman and the committee continues to look for a spot. The committee is exploring Howard Peeples Park as well as other areas. The committee consists of KC4WWU, KD4ULB, and KE4KAK.

### New Business

- 14<sup>th</sup> of April at 9:00 a.m. there will be an informal breakfast at Cracker Barrel.
- Joe AA4BZ and Pete K4QHR proposed a yard sale that would benefit the club. Clean out your garage, etc and have a community sale with proceeds going to CCARS. Pete is to check with his dad on the availability of the area where “boiled peanuts” are sold.
- The hats – Adell, KI4ODA contacted CINTAS about the hats. The logo will need to be shrunk some more. With this in mind, there is a new set-up fee for the logo

and embroidery that will bring the cost of the first 12 hats \$23.00 each. Adell is going to check and see if there is a vender that might be less expensive.

- The website has been completely re-worked. Please take a look at it and send any comments/suggestions to Glenn at KD4ULB (@arrl.net). The email addresses have been changed to the spam-bots can no longer pick up the addresses. If you have any pictures you would like to share, please email them to Glenn. Lots of room to add stuff.
- Islands on the air – If anyone is interested in doing this, Glenn has a list of local islands in Glynn, McIntosh, and Camden County. There are a few that have been identified that have never been put on the air. Glenn, KD4ULB is going to look into an expedition to Jekyll Island this summer.
- AA4BZ closed the meeting with comments about the life of clubs and what keeps them going. He said that some of his reading shows that most clubs are similar in that the minority does for the majority. WD8LQT brought up the idea of having a club newsletter that would be mailed to each member regularly. Some discussion was had, but no motion made and nothing decided. Glenn, KD4ULB brought up having a project night once or twice a year where club members would get together and build something.

50/50 drawing was held. WK1E was drawn. \$15.00 now rolls over to the next meeting.

The meeting was closed.

Respectfully submitted  
WD8LQT, Secretary
