Old Business.

- Continue awaiting field day results. Tim AA4SS checked on the results Saturday and the KB4C entry did not make it in yet.
- Picnic – JOTA (Jamboree on the Air, 50th anniversary) October 20 and 21.
 - George, WA4GWB and Joe went out to Crooked River to discuss this event. There is a shelter house as you go into the campground on the left. It has electricity, but no bathrooms. Bathrooms are a short distance away. We are welcome to set up a station under the canopy along with a screened in tent. The scouts will be camping in the primitive camp area. The scoutmaster would send scouts out in groups/taking turns coming up and getting on the radio. We will need to set up Friday night, go all day Saturday, Saturday evening, and Sunday morning until the scouts leave.
 - Joe AA4BZ will more than likely not be here to assist. AA4SS may be here to help but will not be in a position to man all the time.
 - If you would like to camp, come out, get a campsite and set up.
 - We need to get together between now and then and work on the tri-band beam to make certain it works.
 - This continues to be an opportunity for a picnic (pot-luck).
 - WA4GWB, George will take the lead working with the scouts and K4QHR, Pete will assist.
 - K4TMN will be organizing a fox-hunt.
 - It was requested that KD1Q apply for K4B as a special event call for both this event and field day next year.
