

The January meeting was an Eating-Meeting, held at Crooked River State Park. Elections were held at this meeting, and the current slate of officers were reelected to another term for 2011.

A foxhunt was held, and Glen came in first, Thurston came in second, and Andy came in third. The first three finders won prizes. This fox hunt was unique; there were two fox transmitters on the same frequency. Sometimes this caused interference with each other, making the hunt more difficult.
