Old business:

We need to pay for the Post Office Box and storage building. Both are past due and should be paid right away.

Toby brought up National Refuge Day and State Park Day for a special event station.

Thurston talked about Railwatch Day. Only Thurston and Glen showed up for this event. There were a few contacts on 20 meters. One was in Manitoba, Germany, and Amsterdam.

Adell talked about putting together another shirt order. She needs to collect the money in advance of the order from everyone, and will place the order after the minimum of 6 or 7 shirts.

Thurston suggested that maybe we can sell some of the items in storage to help offset the cost of storage and put some into the general fund. The rest of the equipment in storage needs to be categorized and sorted and keep what we will use, and sell what we are not interested in using.

New Business:

Andy brought up Field Day. We need to find out who wants Field Day shirts and accessories, and the order needs to be placed as soon as possible. It will be held at the Camden County EOC.

Nassau Area will be having a tailgate in Nassau County. More details to follow.

Tom needs to send Andy the log in info for the club email account. If possible I need to forward the emails to the club officers.

Treasurer's report:
